

TOP 10

takeaways

- 1* The OWL is a flexible, pleasant, low-pressure environment.
- 2* The Online Writing Lab offers helpful examples and applications.
- 3* Consultations should be writing-focused and client-focused.
- 4* A good question can allow you to probe deeper.
- 5* Great OWL tutors can come from any major.
- 6* Play around! Sometimes a conclusion may be the perfect introduction.
- 7* Repeat clients find their own tutor-client rhythm.
- 8* Don't forget to introduce yourself. Learn the client's name and use it.
- 9* You may find valuable input at unlikely times. Tutoring is a team effort!
- 10* Encourage the client by pointing out specific things written well.
